Keeping our Community Safe!

December 3, 2020

Dear Parents/Guardians,

Effective December 7, 2020 'Na Aksa Gyilak'yoo School, with the support of Kitsumkalum Band Council and Kitsumkalum Health Department, will be closed due to the increased numbers of COVID-19 in our region. In order to limit the spread and to keep our community safe.

1. Effective this Friday (December 4, 2020) the school is closed until January 4th, 2021. However, NAGK staff that are capable will be on duty in order to make weekly check-ins with your child/ren as well as listen to your concerns via either by phone call, email or Zoom Video call.
2. This week our teachers and staff have loaded computers and stuffed GREEN BAGS with work for the week for students who are already staying home. We ask parents to monitor their child's work on a daily basis. Next week we will start delivering homework for all students
3. As mentioned in the previous newsletter (December 1), our buses will drop off/pickup student work each Friday. Stuff student completed work in the GREEN BAG we will pick up each Friday! New work is given you in the GEEN BAG EACH FRIDAY during the time of pick up. Have the BAGS outside of your door.
4. Teachers have provided each student with a daily work/study schedule that should be followed and completed in order to not fall behind in their studies.

NOTE: With only two weeks of school left before Winter Break, our bus delivery with homework packages will be on Friday, Dec. 4, Friday Dec. 11, and Thursday Dec. 17 for final pick up or drop off. Pickup/Delivery Time will be at 10AM for each scheduled date.

Visit our school website (www.nagkschool.ca) to keep posted on community and school developments.

NAGK will be on Winter break from December 18, 2020 to January 4, 2021.

Stay Healthy and Stay Safe!

On behalf of 'Na Aksa Gyilak'yoo School Staff, Season's Greetings to our NAGK Family!
Pier De Paola, Principal
