**DAILY HEALTH CHECKS:** Parents/caregivers must assess their child daily for symptoms of common cold, influenza, COVID-19, or other infectious respiratory disease before sending them to school. If a child is sick, they must not take the bus or go to school. School administrators will ensure staff and other adults know they are responsible for assessing themselves daily for symptoms prior to entering the school. W: <https://www.k12dailycheck.gov.bc.ca>

Hand sanitizer dispensers have been installed in all classrooms, offices and bathrooms.

**KEEPING OUR DISTANCE:** Strict physical distancing is no longer required. Our school will continue to create space between people, including: Managing flow of people in common areas, minimizing crowding and allow people to pass through easily, preventing crowding at pick-up and drop-off times, reminding students and staff about respecting others' personal space, using visual supports, signage, prompts and video modelling as necessary, using available space to spread people out where possible, taking students outside as much as possible.
